***\*\*\*DISCLAIMER – PLEASE BE AWARE that this tutorial was made and released 9/2014 . Recently it came to my attention on 6/12/15 that the papers no longer line up to how I used them, because when Raindrops on Roses was reprinted in 2015, they were flip-flopped from the original paper pad sometime this year. Meaning, when I cut on a page, and then go to use the left over back sided papers, they do not line up anymore.  
SUGGESTED FIX: You will need 2 Raindrops on Roses Paper pads instead of 1.***
